Treasurer: At the time of this publication, there is no information on Chapter Account balance. There are no outstanding debts. Treasurer did mention that some former member have never replied nor mailed their dues. These individuals have been removed from our 'active' roster.

Chaplain: Long time Chapter member Fredrick Flihan passed away on Sept 18th and was interred at Miramar National Cemetery with full military honors Oct. 6th. Our prayers go out to Peggy and family members.

Old Business: None

New Business: The Chapter voted to make a donation to the Red Cross for the hurricane victims of Houston Texas and to one of the local high schools MCJROTC.

From the Prez: First thing I'd like to do is thank Jake Hughes and Lupe Cano for conducting the past two recent meetings. My apology to our chapter members for not having done a Newsletter the past three months. I really don't have an excuse and will leave it at that. As mentioned at our meeting, our chapter is getting smaller due to health issues that are effecting many of our chapter members requiring assistance. Our prayers go out to these individuals for strength and comfort. Again we are challenged like many other Veteran Organizations with the loss of numbers and very few replacing membership. Happy Birthday Marines. Happy Veterans day, Happy Thanksgiving to all and your families.

Just for Laughs: Sick Leave

I urgently needed a few days off work, but, I knew the Boss would not allow me to take leave. I thought that maybe if I acted 'Crazy' then he would tell me to take a few days off.

So I hung upside-down on the ceiling and made funny noises. My co-worker (who's blonde) asked me what I was doing. I told her that I was pretending to be a light bulb so that the Boss might think I was 'Crazy' and give me a few days off.

A few minutes later the Boss came into the office and asked, 'What in the name of goodness are you doing?' I told him I was a light bulb.

He said, 'You are clearly stressed out.' Go home and recuperate for a couple of days.' I jumped down and walked out of the office...

When my co-worker (the blonde) followed me, the Boss asked her, '...And where do you think you're going?'

(You're gonna love this....) She said, 'I'm going home, too. I can't work in the dark.'

Happy 242th Birthday Marines
